

CHATEAU DES BRIGANDS 2017 AOC COTES DE PROVENCE – SAINTE VICTOIRE

Château des Brigands was created in 2014. Two families, both passionate about wine came together; those of Garcia Stéphane and his brother-in-law Ludovic Pelenc. This fabulous vineyard of 15 hectares and winery of vinification is situated at the bottom to Baou and Mont Aurélien on gravelly soil and exposed to Provençal sun. This Château produces 80% of rosé wine, 10% of red wine and 10% of white wine. Mechanical work is preferred as it avoids the use of chemical fertilisers.
