

DOMAINE ROUMAGNAC O GRAND R ROUGE - 2015

Nicolas Roumagnac has joined his uncle Jean-Paul Roumagnac in 2011. In the continuity of the domain evolution, the young winemaker has decided to entirely restructure the wine characteristics, the packaging, and the sales strategies. Thanks to its exponential and quick development, the Domaine Roumagnac is now proud to be ranked among the leading properties of the appellation. It extends over 20 hectares and produces authentic wines which express the subtleties of their terroir and appellation. In AOP Fronton, the star of the show is the Negrette. A native grape variety not grown anywhere else in the world. It covers 50% of the domain and gives a wine abundant in aroma (red fruit, liquorice) and low in tannin.
