

## LE VIN DES NOCES 2008 DOMAINE LES ROQUES DE CANA

Heir of the Eminée written by Virgil in the 1st century BC. JC, the Malbec grape was reputed to be the best wine of the Roman Empire at the time of Jesus. Cahors has made its vine for over 2000 years. Single vineyard to be replanted in Gaul on the order of the Emperor Probus in the third century, the Cahors was for François 1er "the world's best wine."  
Les Roques de Cana, wine estate created by Martial Guiette and 24 other passionate partners is today the symbol of this search for excellence.
