

CHATEAU CROIX SAINT ANDRE Lalande de pomerol 2016

"Located in the commune of Néac on a plateau dominating Pomerol, the Carayon family has been growing about 12 hectares since 1965. A part of the vineyard over 100 years old escaped the frost of 1956. The property is planted 80% Merlot and 20% Cabernet Franc. At the end of the breeding process a selection of casks is made to produce "La Croix Saint André". Our wine was one of the favorites of the pianist Arthur Rubinstein and the vintage 1982 was dedicated to his memory, and later other personalities in different fields like Albert Uderzo trusted us. "

Today the Château La Croix Saint André occupies a place of choice among the crus of the region, thanks to the potential of its soil, whose nature is close to that of the plateau of Pomerol at the age of its vines (some have over 50 years old!). Since 1965, the Carayon family owns the estate.

TERROIR

Limonestone

GRAPE VARIETY

80% Merlot
20% Cabernet Blanc
